Sir:

In response to the decision mailed February 21, 2008 (“Decision”), dismissing the Petition Under 37 C.F.R. § 1.47 (a) filed January 23, 2008 (“Rule 47(a) Petition”), Applicants respectfully request reconsideration of the Rule 47(a) Petition.

The Decision explained that a benefit claim to Provisional Application No. 60/238,846 cannot be added without the filing of a petition under 37 C.F.R. § 1.78 (a)(6). The Decision further indicated that such a petition could be filed along with a request for reconsideration of the Rule 47(a) Petition. Accordingly, a Petition Under 37 C.F.R. § 1.78 (a)(6) is submitted herewith.

In view of the foregoing, it is respectfully requested that the Decision be reconsidered and the Rule 47(a) Petition granted.

Respectfully submitted,
